

Coronavirus action plan

Dear Parent's & Career's,

The current novel coronavirus (COVID-19) outbreak, which began in December 2019, presents a significant challenge for the entire world. Of course, this is a new virus, and new technology and the increasing connectivity of our world mean that we need to be pro-active in our hygiene standards both personal and on site.

Therefore, with immediate effect we **CANNOT ALLOW** any child to bring with them from home any personal toys to play with, we have an abundant variety of stimulating and educational toys for your children to use whilst at the session.

The management are reviewing standards of operations within the building and making any necessary changes to improve the overall hygiene standards.

Additional we have published on the church's website under the header of PRE-SCHOOL the Government's Coronavirus: action plan "A guide to what you can expect across the UK". If you wish to learn more about this virus and what precautions you could take, then please refer to it and download.

Furthermore, the team is carrying out fun activities with the children with the emphasis on washing hands and personal hygiene, for more information about this please ask any member of our team.

Once again, there is no need to be concerned as we are taking all the necessary measures to ensure the health and safety of all our children, and if you have any concerns please feel free to bring them to our attention.

Regards

Gina
Preschool Manager

With immediate effect NO PERSONAL TOYS are permitted to be brought from home to the preschool.

All bottles, lunch, boxes etc. must be thoroughly cleaned and disinfected by parent's & carer's after every day.

The use of Antibacterial Surface Wipes & Sprays will be in used by the Preschool (in line with COSH).
